

No. L.S.G. Flood Relief Control Room:18 /XVIII

Dated. 06.09.2018.

C I R C U L A R

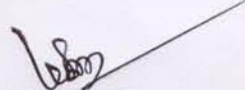

Studies conducted by experts from Kerala and Tamilnadu Health Department revealed the possible outbreak of vector born disease in flood affected areas especially in areas under Urban Local Bodies (the detailed district wise list is attached herewith).

In this alarming situation Director of Panchayat and Director of Urban Affairs are directed to take adequate vector reduction measures such as source reduction, insecticide spraying and fogging to prevent the growth of vector population in these areas.

Director of Panchayat and Director of Urban Affairs are directed to take vector reduction measures in other Local Bodies also if required.

You are also directed to submit the detailed Action Taken Report in this regard in frequent interval to Government without fail.

Encl. As above

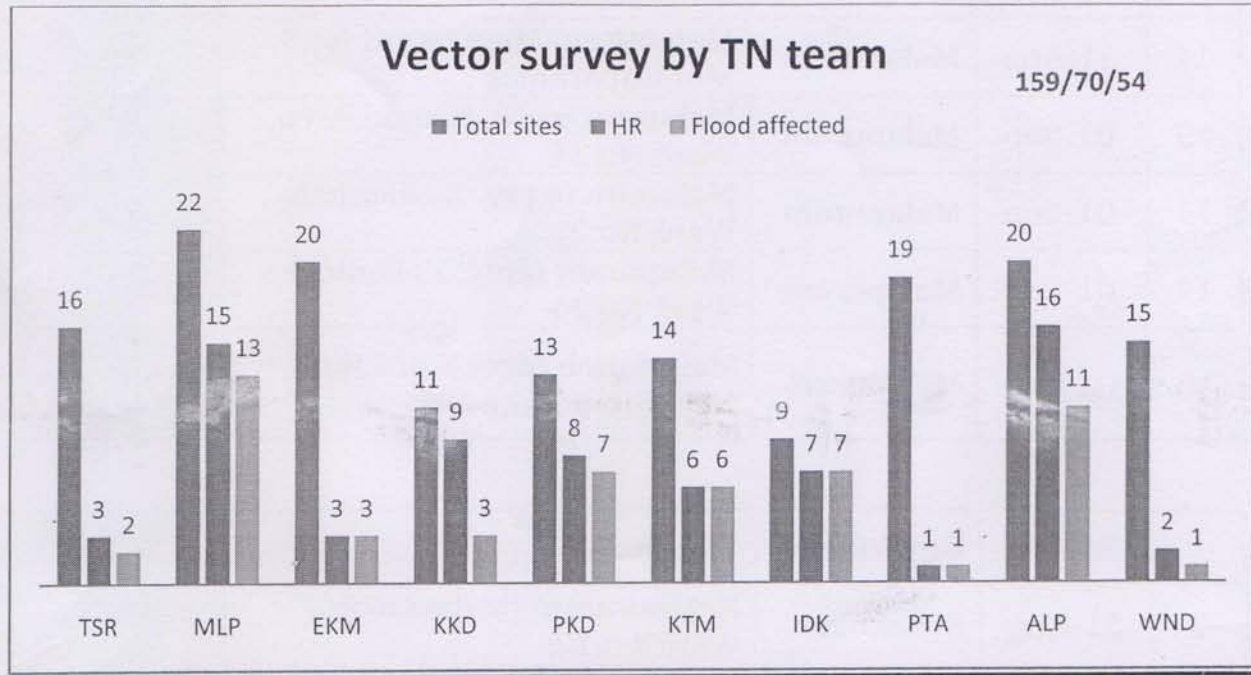

S. MOHANDAS,
ADDITIONAL SECRETARY TO GOVT.
For ADDITIONAL CHIEF SECRETARY TO GOVT.

To

1. Smt. K. Girija, IAS, Director Urban Affairs
2. Shri. H. Dineshan, IAS, Director of Panchayat

Vector Survey done by TN team from 29th Aug to 1st Sept
