a. General Provisions:

- 1) Details regarding the nature of uses 'permitted', uses 'restricted' in each zone are given below. In addition to the same, guidelines for regulating developments are also provided herein.
- 2) Uses 'permitted' in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary, if in accordance with other relevant acts, rules and orders concerned in force.
- 3) In some cases it may be possible to permit some other uses also which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special location factors. Such cases which come under this category are classified as "Uses Restricted 1 & Uses restricted 2".
- 4) "Uses Restricted-1" category deals with the uses that may be permitted by the Secretary with the concurrence of the Town Planner.
- 5) "Uses Restricted-2" category deals with the uses that may be permitted by the Secretary with the concurrence of the Chief Town Planner.
- 6) Those uses which are not included under "Uses Permitted' or Uses Restricted' shall be treated as 'Uses Prohibited'.
- 7) Operational constructions as defined in the Kerala Town and Country Planning Act, 2016 shall be treated as permitted use in the scheme area.
- 8) Any use which is not explicitly included as uses permitted or uses restricted in a zone, but is of similar or ancillary nature to the uses permitted or uses restricted in a zone, may be permitted in such zone with the concurrence of the Town Planner.

- 9) All future developments and constructions shall be in conformity with the provision of this scheme and the Kerala Municipality Building Rules in force unless otherwise specified in these regulations/scheme.
- 10) If any portion of a zone is put to a use prohibited as stated in para 6, before the sanctioning of this variation of the detailed town planning scheme, such use shall be termed as non-conforming use.
- 11) A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted provided that the said use create no adverse environmental influence in the zone. Addition, alteration or reconstruction if found necessary as part of any mitigation measures may be permitted for such uses with the concurrence of the Town Planner.
- 12) For all purposes of this scheme, land/area to be acquired for any use shall be treated as land/area to be reserved for such use.
- 13) Existing areas and structures of archaeological importance, agricultural uses and religious uses may be permitted to continue in all zones.
- 14) No provisions in this scheme shall prevent the implementation of any project/ scheme of Central, State or Local Self Government and Government approved projects by quasi government agencies, Public private partnership and LSGD Joint Ventures subject to the resolution of the Municipal Council with suggestions and recommendation of the Town Planner and Chief Town Planner. Such projects shall be treated as permitted uses in all zones and shall conform to the widening of roads or new road alignments envisaged in the scheme and other applicable statutes.
- 15) Provisions under the Disaster Management Act, Archaeological Sites and Remains Act, Aircraft Act 1934, Environment Protection Act 1986, Kerala Conservation of Paddy Land and Wetland Act and any other applicable statutes as amended from time to time will prevail over the respective provisions of this Scheme.
- 16) Silence zone, as prescribed by the Noise Pollution (Regulation and Control) Rules, 2000 as amended from time to time, shall be applicable to such areas under this Scheme.
- 17) Disaster mitigation projects by competent authorities shall be permitted in all zones.
- 18) Wherever the proposals for new roads or the proposals for the widening of existing roads are omitted (Road C1-C1, Road D4-D4, Road F1-F1, Road F2-F2, Road F3-F3), the zoning regulations in the adjacent land use zones shall be permitted in the proposed alignment.
- 19) In case different land use zones falls within a single plot, all uses permitted as per zoning regulations of such land use zones may be permitted by the Secretary in the plot. If

application submitted includes any of the restricted uses and not included in such permitted uses, the Secretary shall issue permit with the concurrence of the Town Planner / Chief Town Planner, as the case may be. However, for the part of the plot which comes under area reserved for roads, this provision shall not be applicable.

- 20) For land to a depth of 50metres along the sides of roads having an existing width of 15 metres or more, uses permitted in Mixed zone and Public & semi public zones may also be permitted by the Secretary of the Local Self Government if such uses are not allowable otherwise in the Zoning Regulations.
- 21) Any clarifications or interpretations of the scheme may be issued by the Government in consultation with the Chief Town Planner.
