As per the G.O. 1st cited Government have regulated the guidelines/norms for the transfer and postings of employees working in the departments under the Local Self Government Department. It has been ordered, interalia, in the said G.O. that General transfers will be made once in a year during April/May. As per refrence 4th cited it has modified it as 15th March every year. As per the direction a schedule shall be prepared and all transfer orders shall be published in draft in the notice board of the transferring authority and also in the Website of the Department and at least a week's time shall be allowed for filing the objections if any.

Government as per G.O. reference (2) cited above amended the guidelines incorporating the following additional points. Whenever promotions take place the promoted persons may be sent to the places where vacancies exist. If senior persons, who are eligible to be posted to the places where promotees are posted, are there, they may be considered along with the next general transfer. All persons other than last grade Servants, who have put in five years of continuous service at a place may be transferred even without request to a place within 20 Kms, and if no vacancies exist within 20 Kms, to a place within the district.

Accordingly the junior most persons promoted and posted in their home districts during the year 2009-10 ie up to 31.03.2010 are proposed to be transferred and posted in farthest stations or nearby districts, and the senior persons who put forth their claim to be posted in those stations occupied by their
